our kitchens

At suga·küchen, we pride ourselves on offering a diverse range of kitchen styles to suit every taste and lifestyle. Whether you are drawn to the sleek, modern lines of contemporary design or the timeless appeal of traditional shaker style, we are dedicated to creating a kitchen that exceeds your expectations.

Keller produces carbon-neutral kitchens with a commitment to sustainability, offering a wide variety of inspiring materials and colours. Inspired by Bauhaus, next125 designs and manufactures minimalist, elegant kitchens that are both innovative and timeless. Schuller transforms the kitchen into the heart of the home with versatile modular systems that integrate natural, sustainable, and family-friendly designs into your space.

why choose us?

TRANSPARENCY

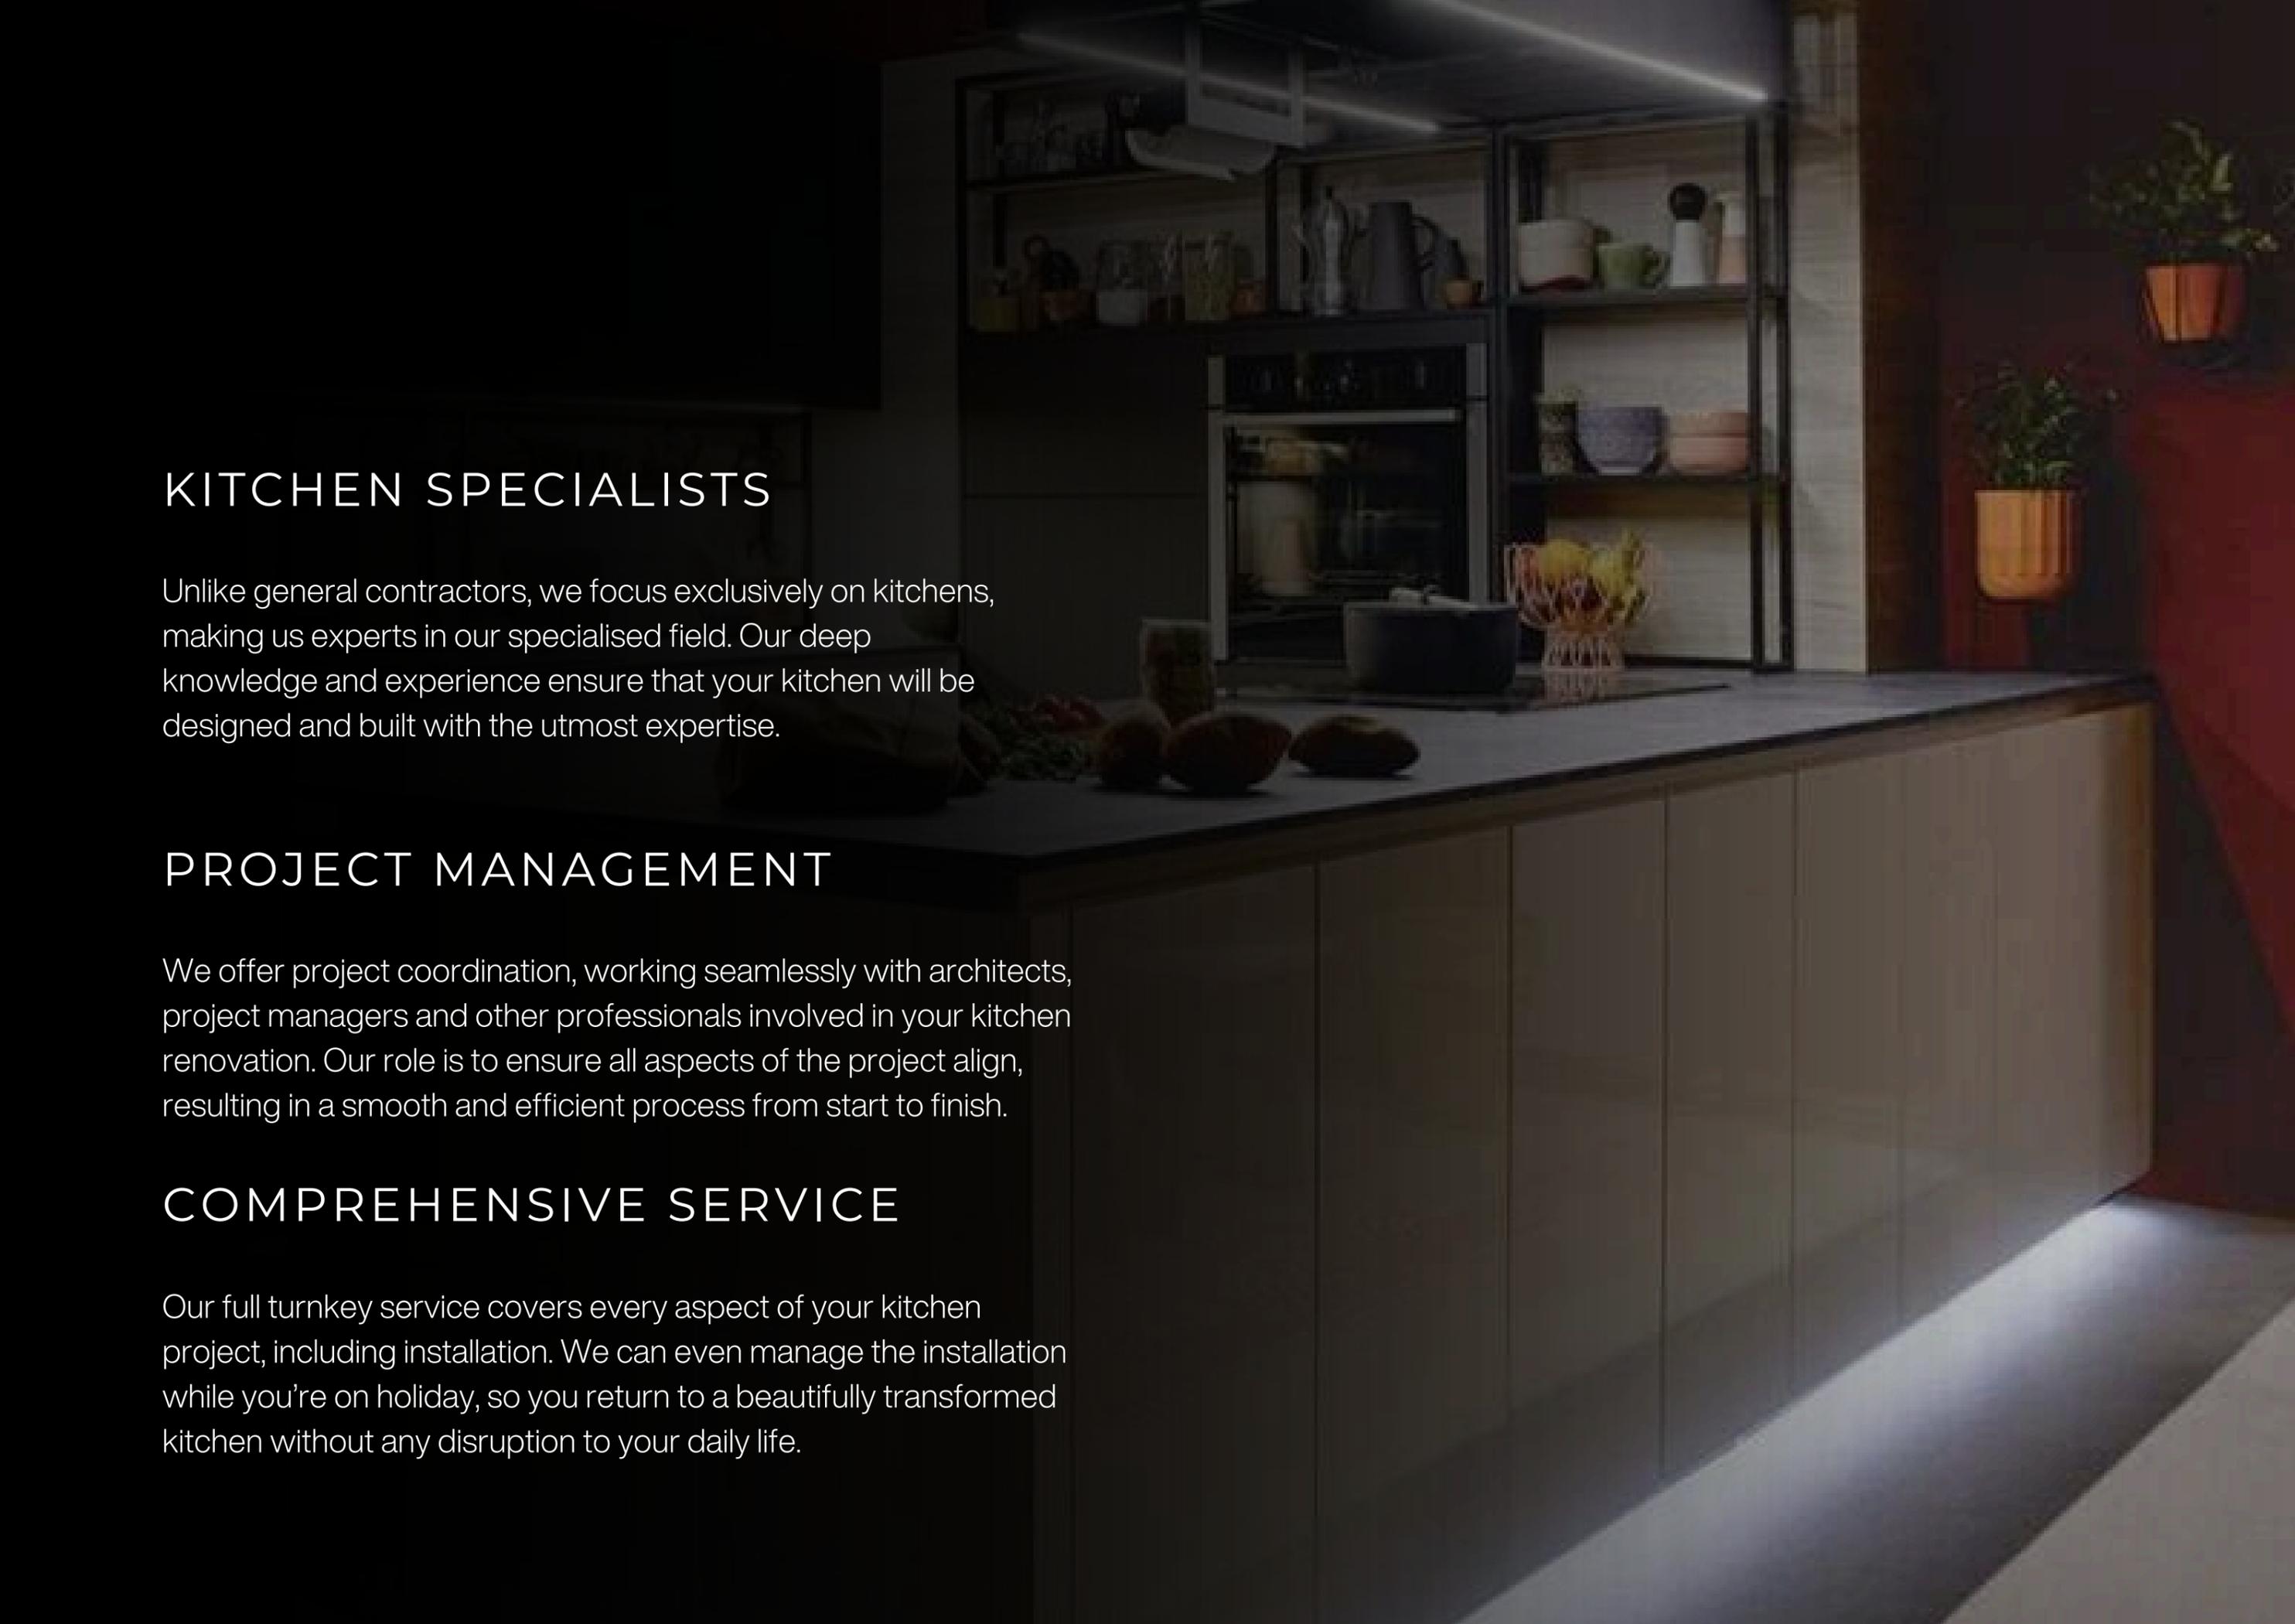

We provide clear, upfront information on costs and the entire design and installation process, ensuring there are no surprises along the way. Our detailed approach helps you understand what to expect at each stage, giving you peace of mind and confidence in your investment.

PERSONALISED EXPERIENCE

Our designers work closely with you to understand your needs and preferences, ensuring that your new kitchen reflects your style and functionality requirements. We prioritise your satisfaction and aim to make the entire process stress-free.

ENDLESS DESIGN POSSIBILITIES

We specialise in creating entirely bespoke kitchens with no limits on design possibilities. Our team is skilled in crafting custom solutions that perfectly fit your space and lifestyle. From innovative layouts to unique finishes, we ensure your kitchen is a true reflection of your individuality.

A modern kitchen with a long island, open shelving, and a red wall with potted plants. The kitchen features a long island with a light-colored countertop and dark wood cabinets. Above the island, there are open shelves with various kitchen items like pots, pans, and a coffee maker. The wall is painted a vibrant red, and there are two potted plants hanging from the ceiling. The lighting is warm and focused on the island.

KITCHEN SPECIALISTS

Unlike general contractors, we focus exclusively on kitchens, making us experts in our specialised field. Our deep knowledge and experience ensure that your kitchen will be designed and built with the utmost expertise.

PROJECT MANAGEMENT

We offer project coordination, working seamlessly with architects, project managers and other professionals involved in your kitchen renovation. Our role is to ensure all aspects of the project align, resulting in a smooth and efficient process from start to finish.

COMPREHENSIVE SERVICE

Our full turnkey service covers every aspect of your kitchen project, including installation. We can even manage the installation while you're on holiday, so you return to a beautifully transformed kitchen without any disruption to your daily life.

appliances

At suga·küchen, we offer a fantastic selection of appliances and worktops from leading brands, featuring the latest technologies like downdraft extractors, premium lighting systems, and Wi-Fi-enabled appliances that let you control your kitchen from your phone.

Our experienced designers collaborate with you to create a perfect layout and recommend the best appliances tailored to your needs. With suga·küchen, your new kitchen will deliver exceptional style and performance, maximising its potential for cooking, entertaining, and everyday use.

FIND OUT MORE

NEFF leads in kitchen appliance technology with innovative features like Slide&Hide® oven doors for easy access and CircoTherm® for even cooking on multiple levels without flavor transfer. Our NEFF appliances, including ovens and cooktops, are designed for exceptional performance, precision, and consistent results.

Quooker

THE BOILING-WATER TAP

Quooker taps deliver instant boiling water, replacing the kettle and speeding up tasks like making tea, cooking pasta, and sterilizing utensils. Beyond boiling, they offer hot, cold, and filtered cold water from one tap, adding exceptional versatility and seamless functionality to your kitchen.

BORA

Bora is renowned for its innovative kitchen ventilation systems and cooktops that eliminate the need for overhead extractor hoods. This technology offers greater design freedom and cleaner air. Our Bora selection includes customisable options for various kitchen layouts and cooking preferences, whether you prefer induction, gas, or a combination.

SIEMENS

With over 170 years of engineering excellence, Siemens leads in kitchen appliance innovation. Their advanced features ensure optimal performance. We offer a wide range of Siemens appliances, including ovens, cooktops, dishwashers, and refrigerators.

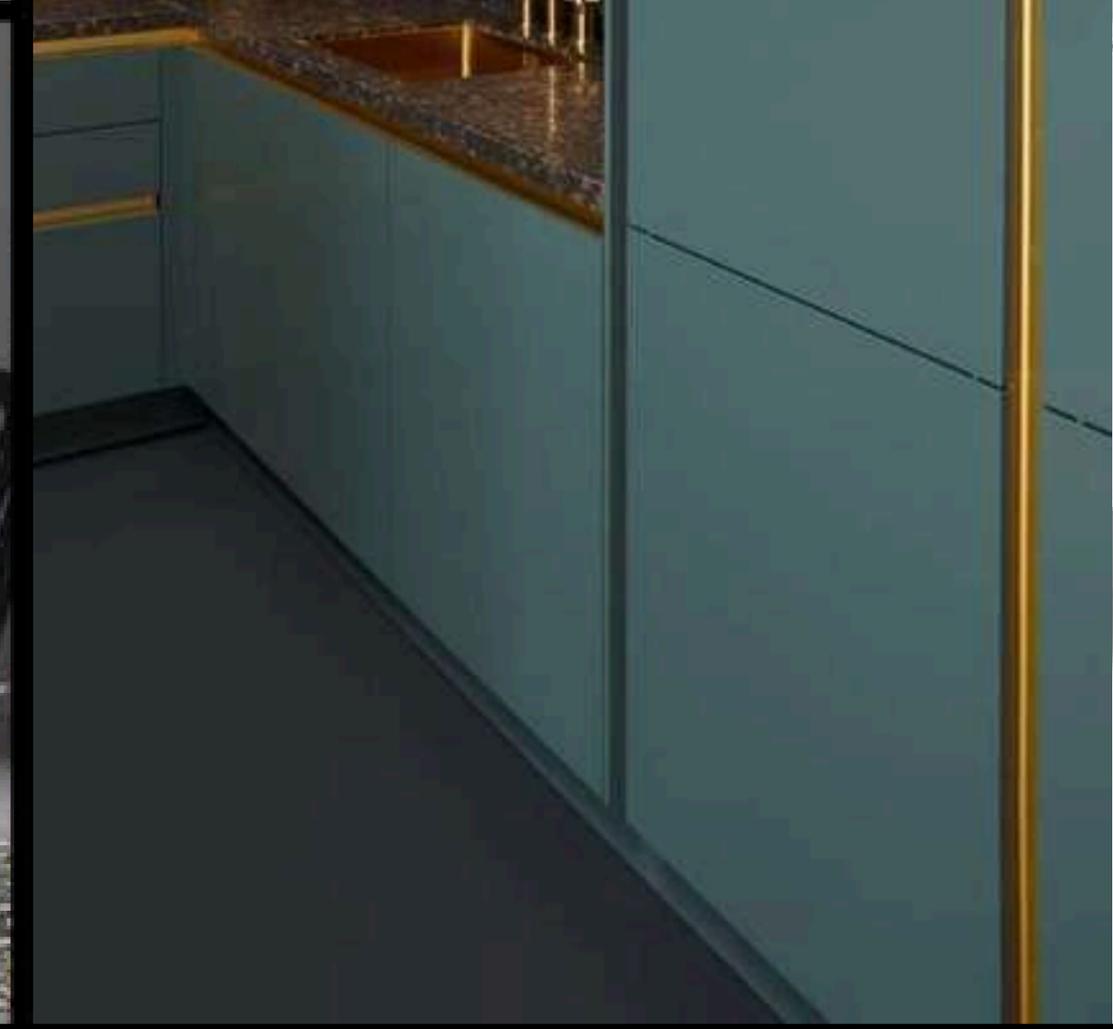

BLANCO

Blanco products offer exceptional durability and reliability, crafted with precision to withstand daily kitchen use. Our range of Blanco sinks and taps blends functionality with stylish design, available in various materials, colours, and finishes to perfectly complement your kitchen.

COSENTINO®

Worktops play a crucial role in shaping the look and functionality of your kitchen, enduring daily wear and tear from cutting, spills, and heat. Our Cosentino range includes a variety of colours, textures, and finishes, featuring high-quality materials like Silestone, Dekton, and Sensa, all designed to meet the demands of modern kitchens.

YOUR SUGA•KÜCHEN

journey

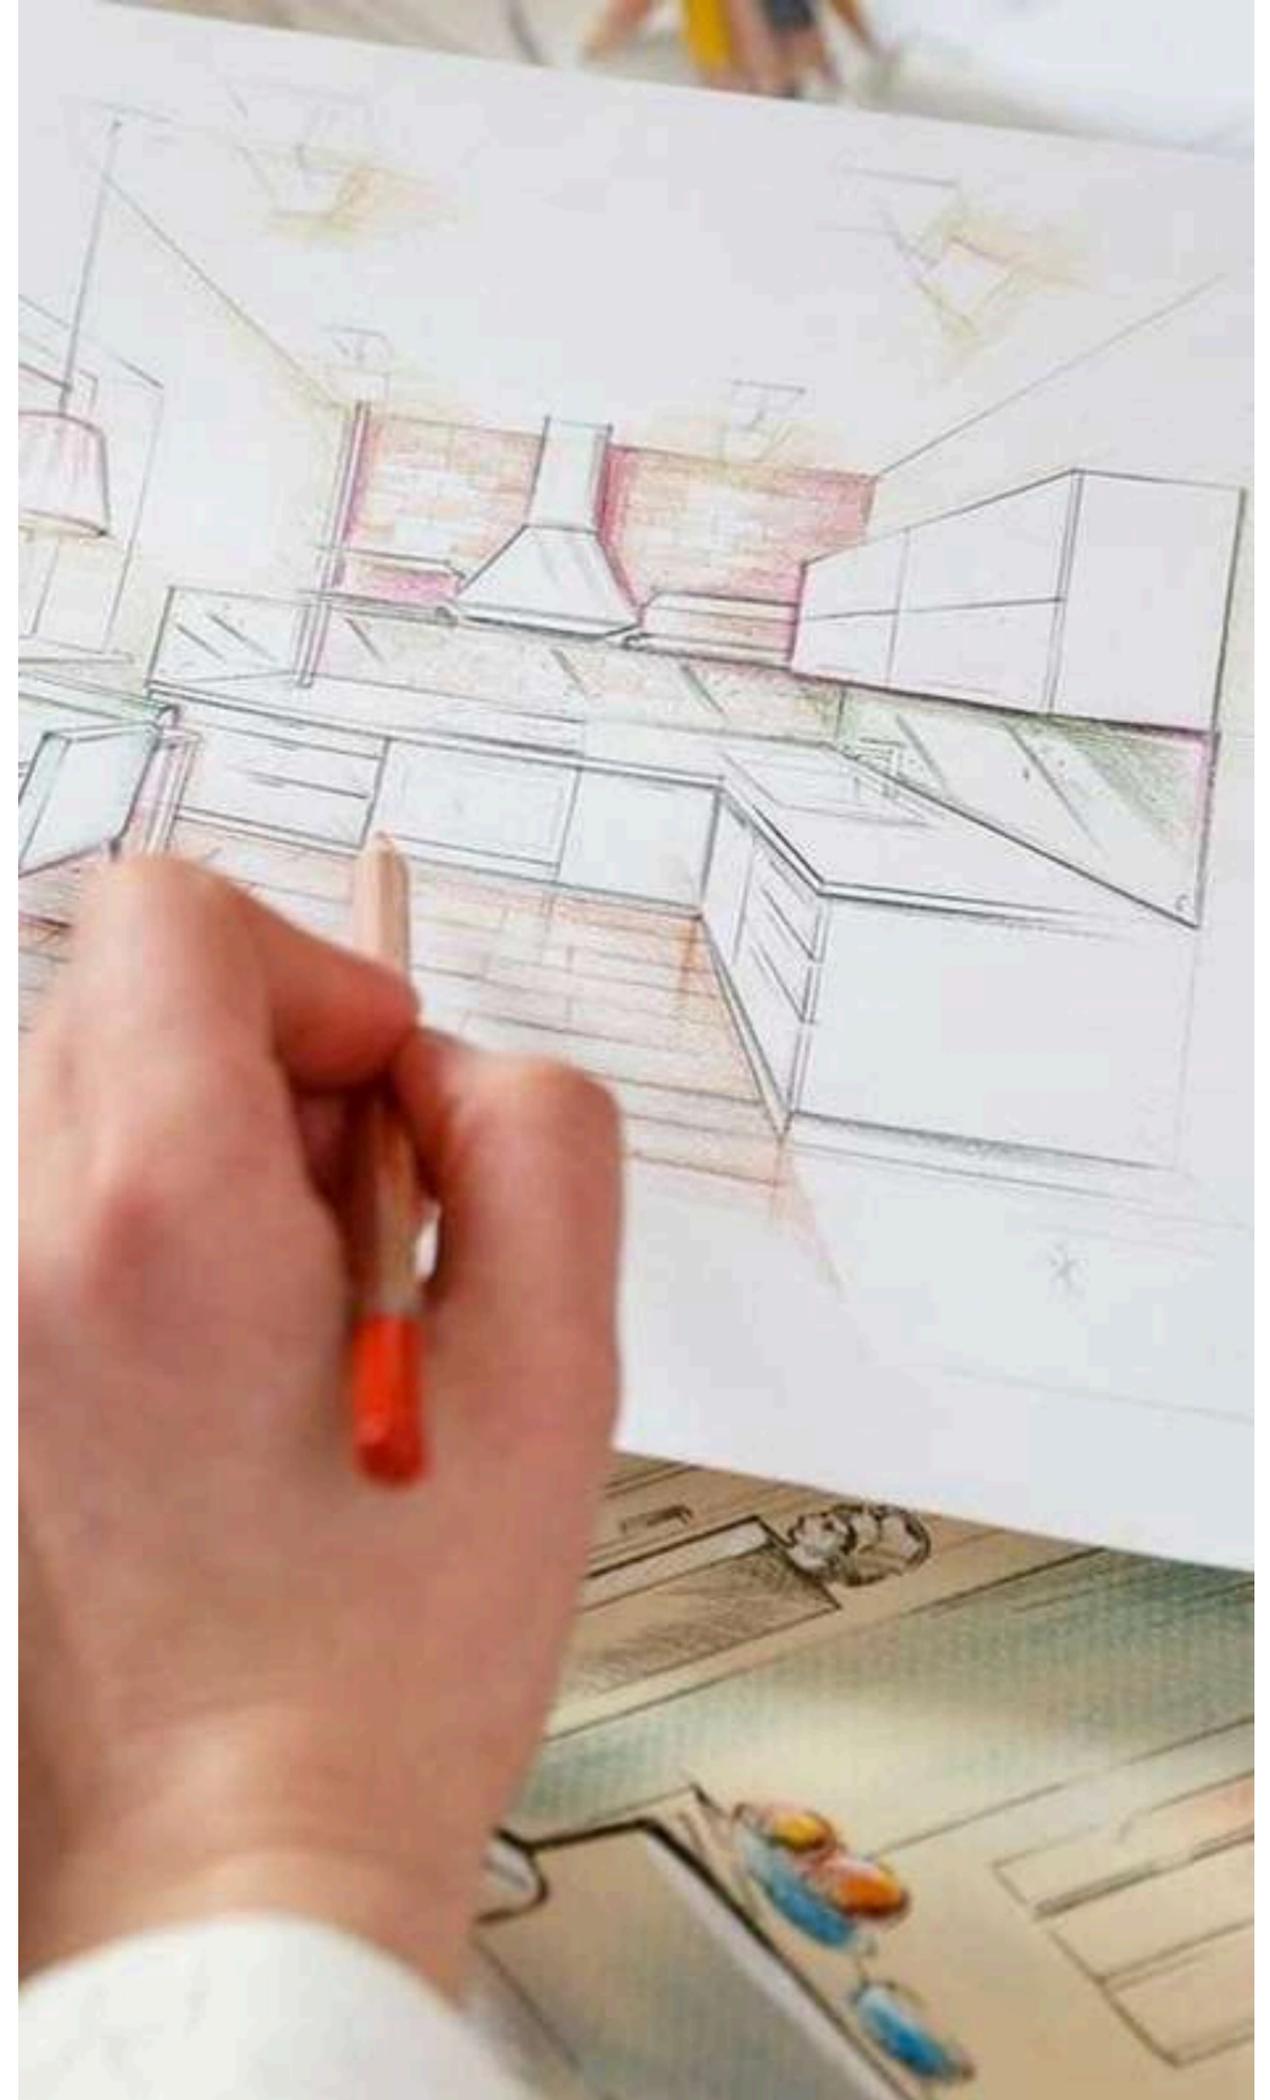

At suga•küchen, we offer a comprehensive, personalised approach to your kitchen renovation, ensuring a seamless transformation from start to finish. You can trust that each step of your kitchen transformation will be handled with expertise and care, starting with a free, no-obligation measure and design service. You'll end up with a kitchen that perfectly fits your vision and lifestyle.

INITIAL DESIGN APPOINTMENT

Begin your journey by exploring our diverse range of kitchen designs, gaining inspiration and advice from our team at our showroom. We'll discuss your vision for the perfect kitchen

HOME MEASURE

Our free, no-obligation home measure service is essential for accurate kitchen design. We'll identify key elements like services and stop taps, ensuring a seamless fit and avoiding future surprises or costs.

CREATING YOUR SPACE

Our designers will work with you to create a kitchen design that incorporates your preferences into a detailed plan, considering every aspect from layout to materials.

FINALISE DESIGN

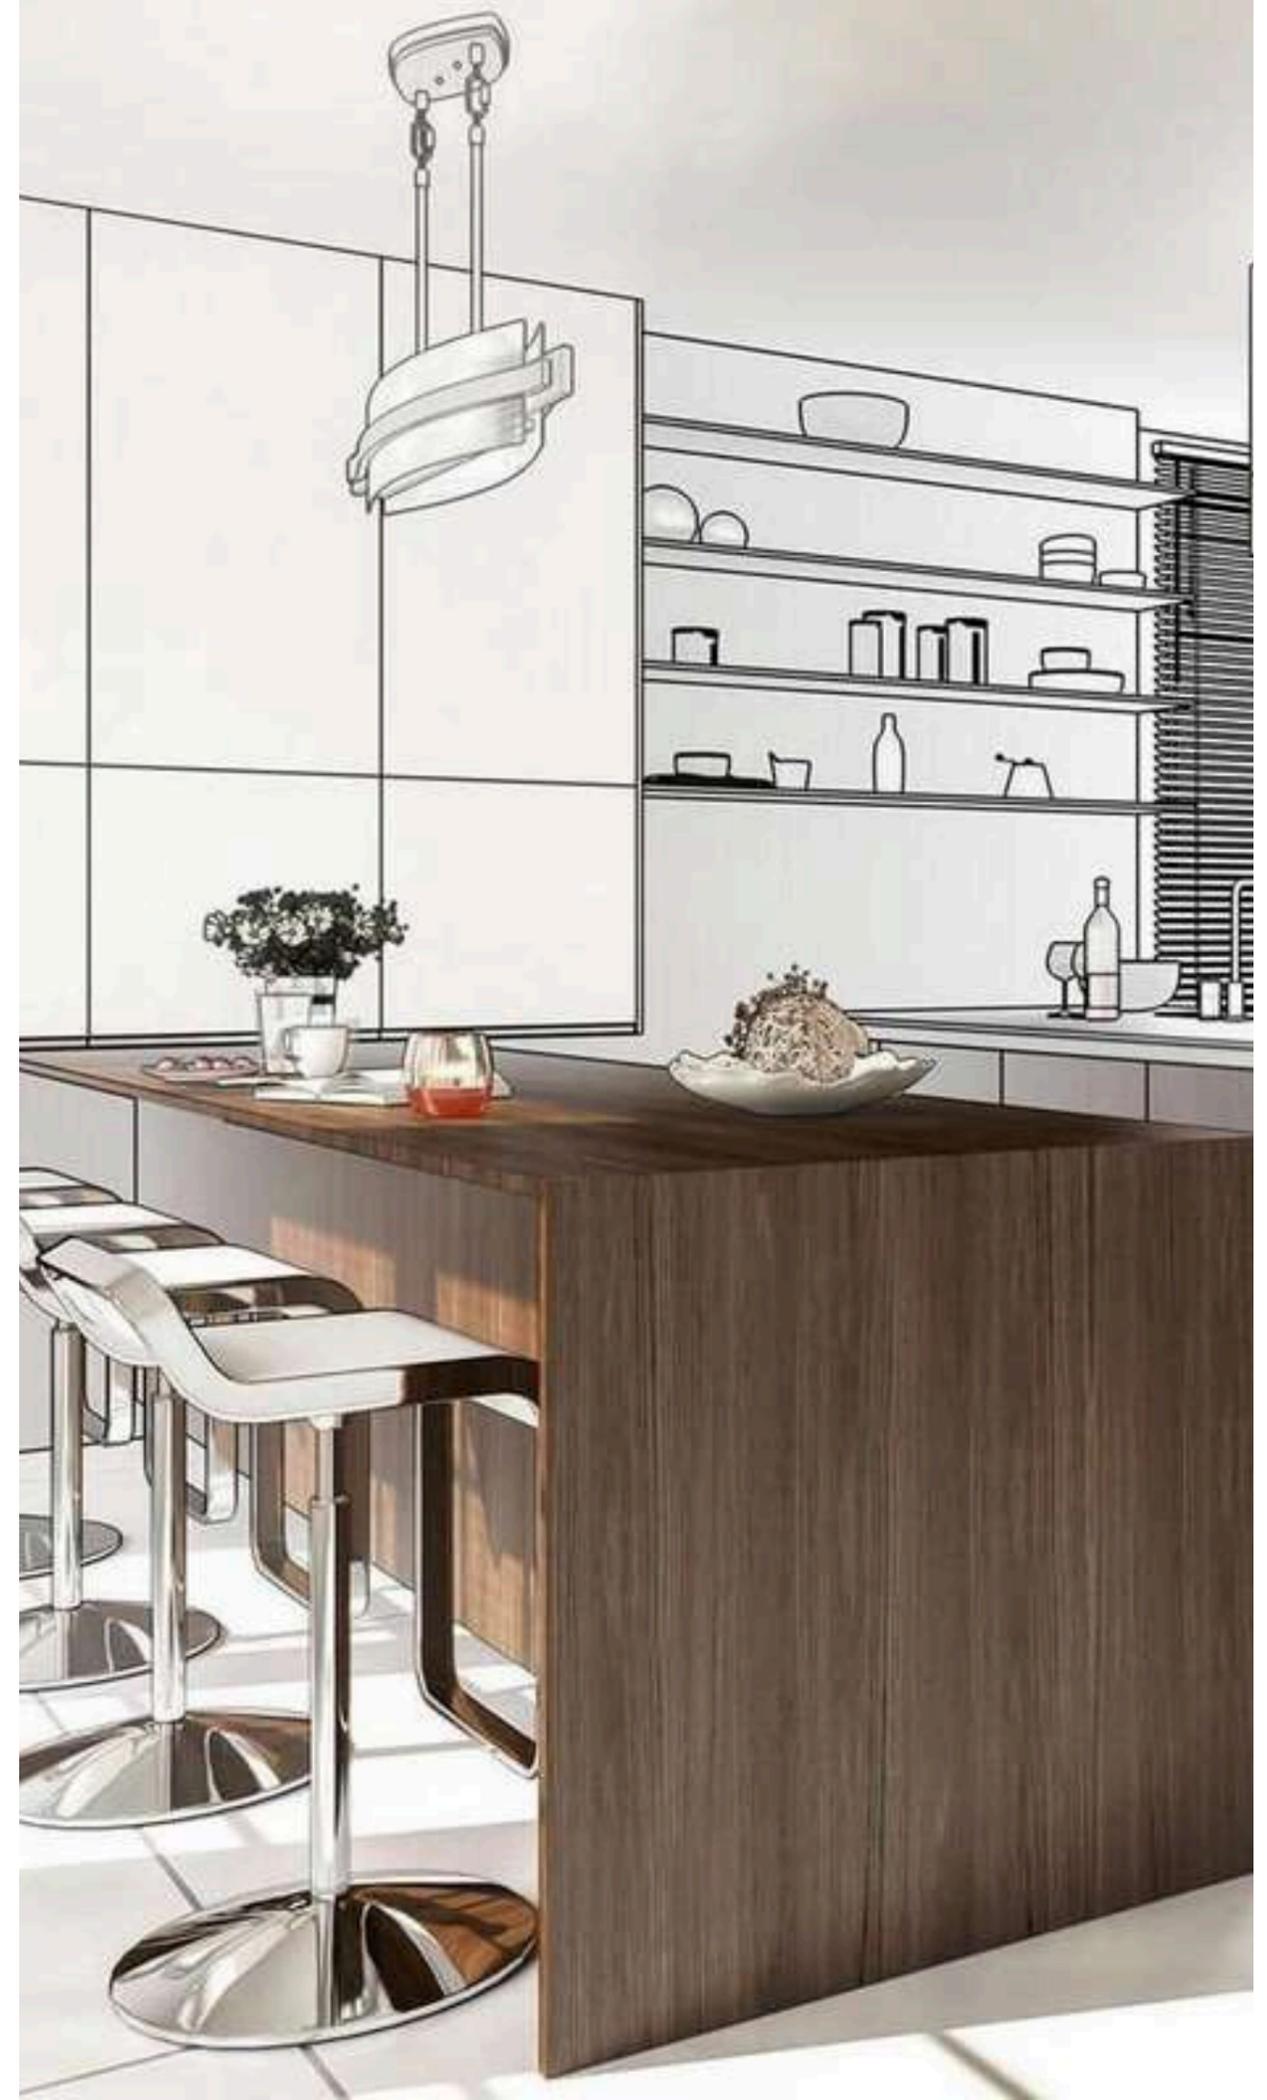

We present the detailed plans for your approval, so you can visualise your new space. We'll review all elements of the design with you, making any necessary adjustments before moving forward.

PROJECT COORDINATION

Our team ensures that all aspects align with the overall vision, while engaging with other professionals involved in the project.

INSTALLATION

We manage every detail of the installation to ensure a smooth, efficient process and that your new kitchen is completed to the highest possible standards, ready for you to enjoy for years to come.

our partners

At suga·küchen, we excel in coordinating all aspects of your kitchen renovation by working seamlessly with architects, designers, project managers, and other key professionals.

Our team collaborates closely with architects to ensure your kitchen integrates perfectly into your home's overall design, aligning structural and aesthetic elements. We also partner with interior designers to transform your creative ideas into a functional, stylish kitchen that reflects your vision.

In addition, we maintain clear communication with project managers and specialised contractors, to ensure a smooth and efficient renovation process. By overseeing every detail and coordinating with all involved parties, we ensure your kitchen project is completed on schedule and to the highest possible standards.

contemporary, family kitchen

ALTRINCHAM

This contemporary kitchen in Altrincham perfectly balances modern design with functionality, featuring a sleek island with a marble-effect worktop and integrated induction cooktop, enhancing the minimalist aesthetic.

The clean lines continue with soft grey cabinetry, accented by black handles and a matte black fridge, creating a striking contrast. A bespoke pantry unit in the dining area provides tailored storage, matching the kitchen's refined style and practical layout for everyday living and entertaining.

[VIEW PROJECT](#)

bright, inviting kitchen

ALTRINCHAM

This open-plan kitchen in Altrincham seamlessly merges indoor and outdoor spaces, embracing a design that balances style with everyday functionality. Featuring sleek handleless cabinetry and a spacious island, it offers ample seating for family gatherings and social occasions.

A chic monochrome palette brings sophistication to the space, with high-gloss white cabinetry contrasting against the dark island. Integrated appliances maintain a streamlined aesthetic, while expansive glass doors and skylights flood the area with natural light, enhancing its airy and connected feel.

[VIEW PROJECT](#)

bold, entertaining kitchen

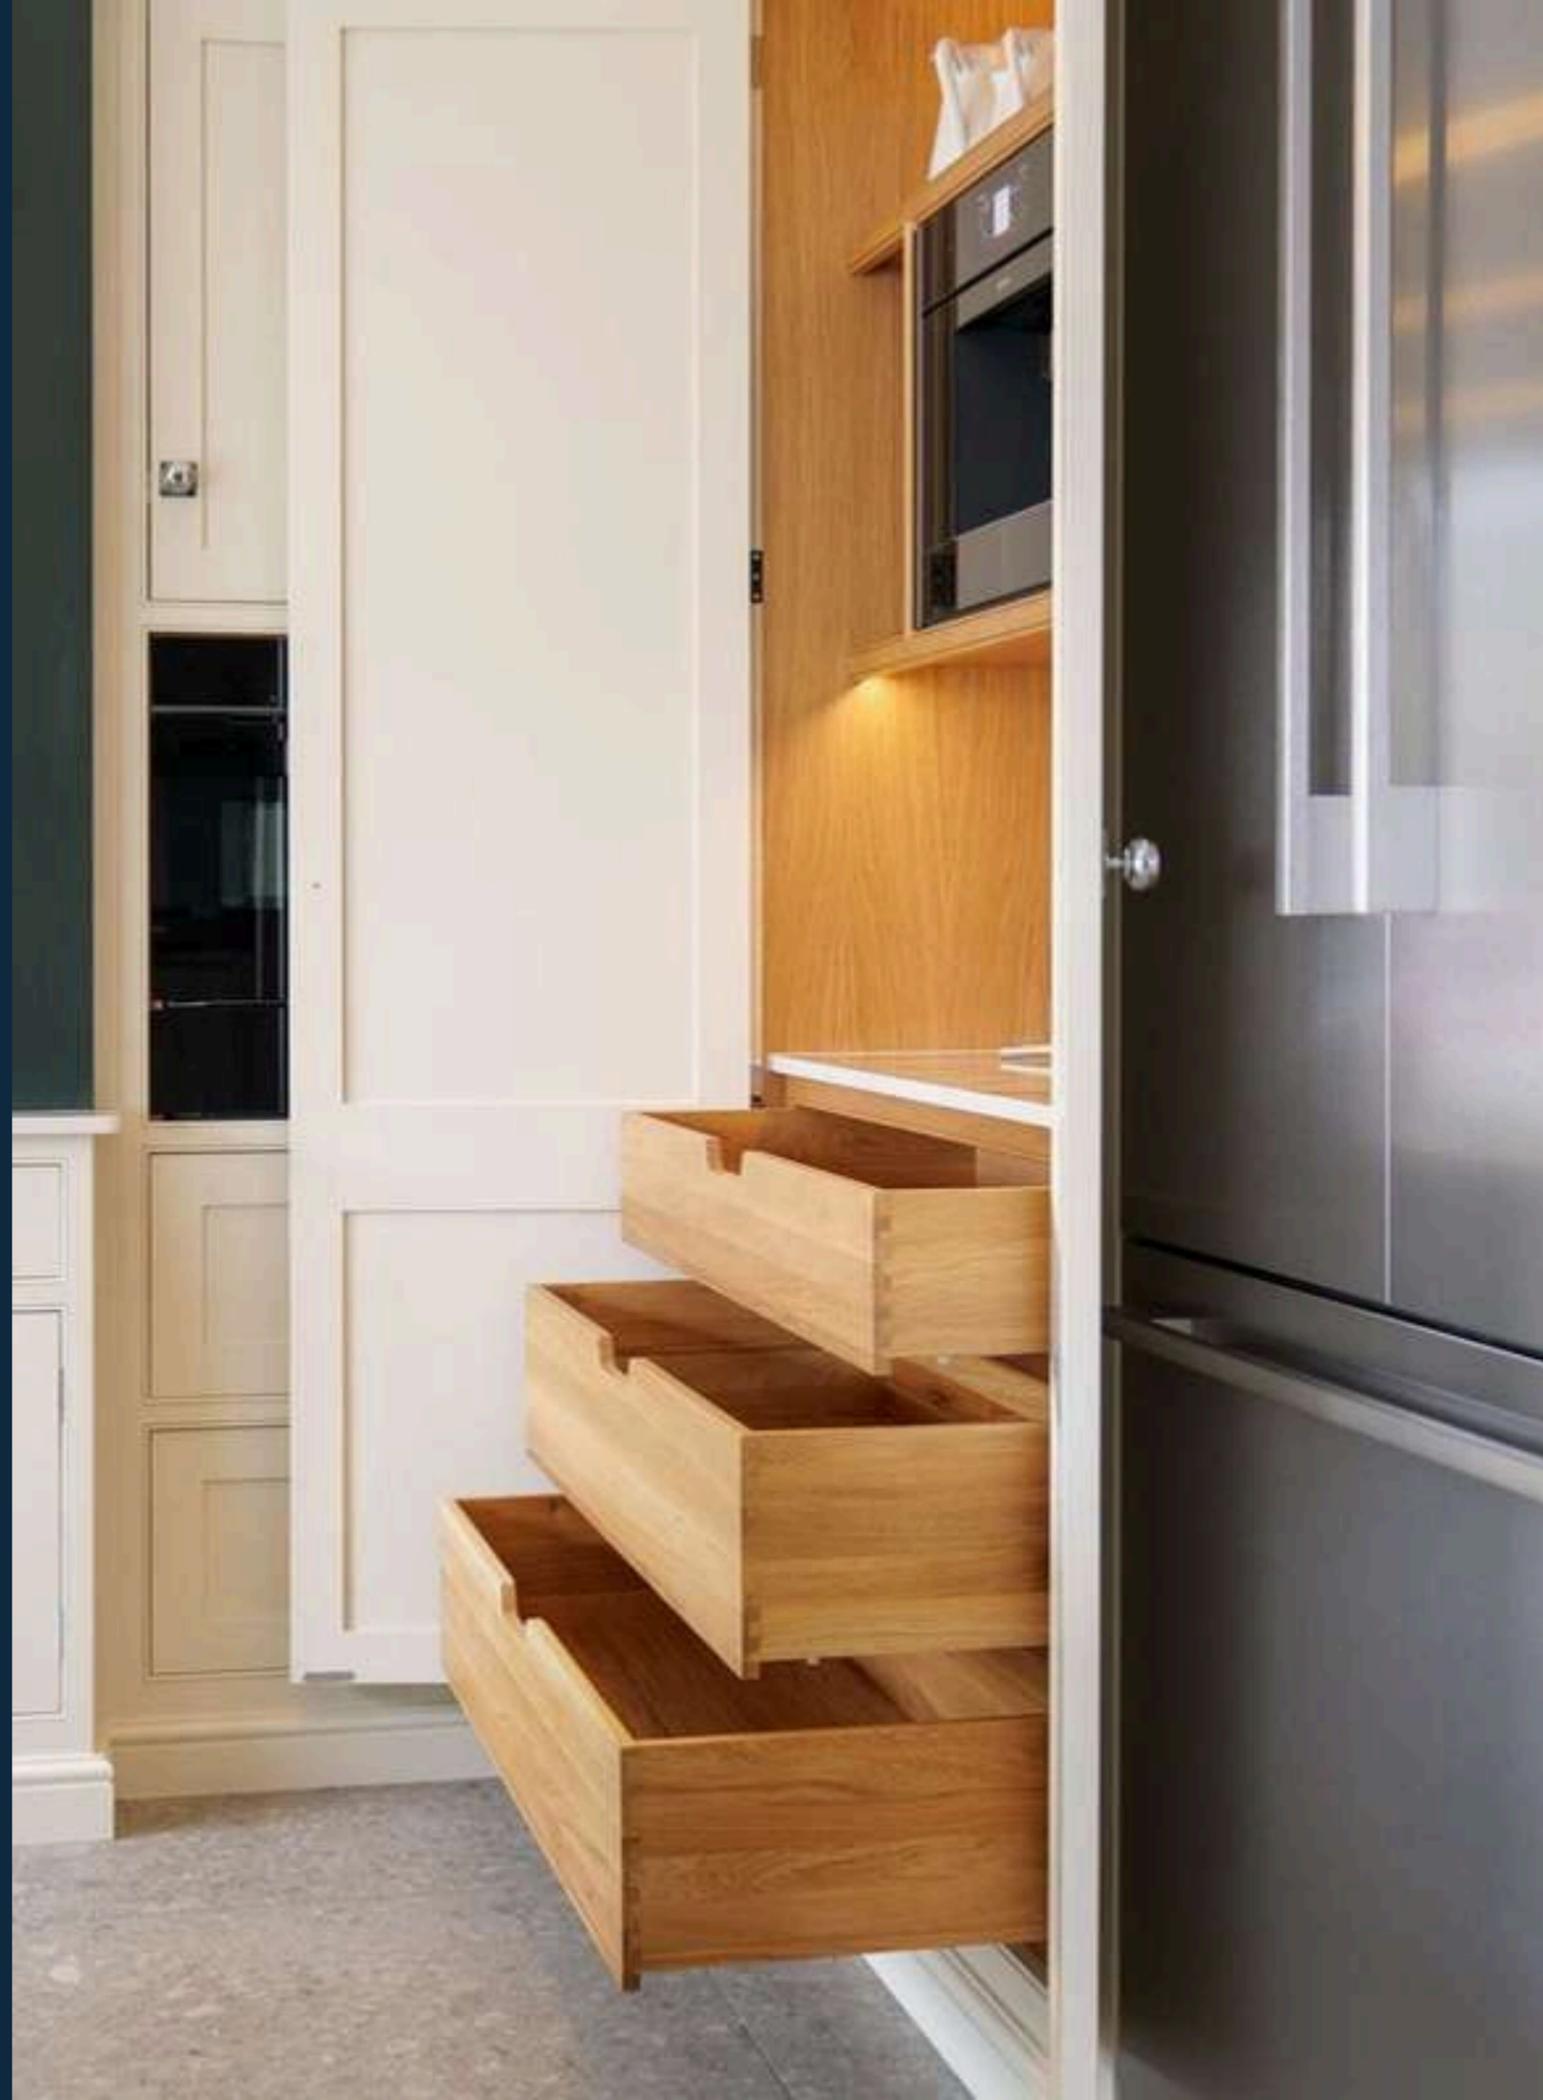

PRESTWICH

After relocating, the homeowners wanted to recreate the elegance of their previous kitchen. With architectural plans for a new extension, we designed a space that marries sophistication with functionality.

This kitchen features a striking contrast of light and dark, with handleless black metal cabinetry from Keller along the back wall and a reflective tinted glass splashback. A durable Dekton Trillium worktop adds an industrial edge, while a light Corian island balances the darker tones. For effortless entertaining, a Leibherr wine fridge and dual dishwashers cater to family and friends with ease.
